

Rotary International Recognition of Rotaract

The project can involve community, international, or vocational service. **Forms must be received by 1 March 2003.** Awards will be presented at the 2003 Rotaract Pre-Convention Meeting in Brisbane, Australia. Please indicate a person to contact if your project is selected. This person should be available to receive the award at the Rotaract Pre-Convention Meeting. If no Rotaractor is available to attend, please indicate a Rotarian from your club or district.

On the reverse side, please describe the project providing as much detail as possible, including (but not limited to) the:

- Outline of project goals
- Extent of Rotaract-Rotary collaboration
- Types of publicity received
- Participation rate of club members
- Evaluation process to determine success of the project
- Impact the project made on the community

If possible, please include photographs of the project in action and newspaper clippings.

Criteria For Project Selection:

1. Degree of collaboration between Rotaractors and Rotarians (20%);
2. Level of project promotion of Rotaract - positive impact on the Rotary/Rotaract image (10%);
3. Percentage of club members involved in development and in implementation of project (25%);
4. Quantitative and qualitative results of project (25%);
5. Project innovation (20%).
