
Rotaract Statement of Policy

1. The Rotaract program was created by and is an activity of Rotary International, who holds authority for the establishment of constitutional provisions, organizational requirements, and standards of procedure, as well as the protection of the Rotaract name and emblem.
2. A Rotaract club is a Rotary club-sponsored organization of young men and women between the ages of 18 and 30* whose purpose is to provide an opportunity for young men and women to enhance the knowledge and skills that will assist them in personal development, to address the physical and social needs of their communities, and to promote better relations between all people worldwide through a framework of friendship and service, and whose goals are:
 - a) To develop professional and leadership skills;
 - b) To emphasize respect for the rights of others, based on recognition of the worth of each individual;
 - c) To recognize the dignity and value of all useful occupations as opportunities to serve;
 - d) To recognize, practice, and promote ethical standards as leadership qualities and vocational responsibilities;
 - e) To develop knowledge and understanding of the needs, problems, and opportunities in the community and worldwide;
 - f) To provide opportunities for personal and group activities to serve the community and promote international understanding and goodwill toward all people.
3. Rotaract club programming shall consist of professional development, leadership development, and service program development as outlined in the "Standard Rotaract Club Constitution."
4. A Rotaract club is organized, sponsored, and counseled by a Rotary club or clubs and is established following the endorsement of the district governor upon certification by Rotary International; its existence depends upon the continued sponsorship of its sponsoring Rotary club and continued recognition by Rotary International.
5. It is recommended, but not mandated, that a new Rotaract club have a minimum of 15 charter members.
6. Within the framework established by Rotary International, the sponsoring Rotary club is responsible for organizing the Rotaract club and providing it with guidance thereafter.
7. Rotary clubs which sponsor Rotaract clubs are encouraged to invite Rotaractors on at least a quarterly basis to their regularly scheduled meetings, project planning meetings, and special events, and are encouraged to review Rotary club membership potential within their Rotaract clubs on a periodic basis.
8. Rotaract clubs are encouraged to invite their sponsoring Rotary club to Rotaract club meetings, project planning meetings, and special events on at least a quarterly basis.
9. Rotaract clubs are encouraged to develop lists of their club members who might hold a Rotary classification as well as maintain lists of current and past club members indicating their interest in Rotary service projects, both lists to be shared with their sponsoring Rotary club(s).
10. Where the Rotaract club is university-based, control and counsel by the sponsoring Rotary club shall be exercised in full cooperation with the university authorities, with the understanding that such a club is subject to the same regulations and policies established by the authorities for all student organizations and extracurricular activities of the university.**
11. All Rotaract club activities, projects and programs shall be conducted in harmony with the policies of Rotary International.
12. There shall be a standard Rotaract club constitution prescribed by Rotary International and subject to amendment only by the board of directors of Rotary International. As a prerequisite of its organization and certification, each Rotaract club shall adopt the "Standard Rotaract Club Constitution" and all amendments.
13. Each Rotaract club shall adopt bylaws not inconsistent with the "Standard Rotaract Club Constitution" and with policy established by Rotary International. Such bylaws shall be subject to the approval of the sponsoring Rotary club.
14. A Rotaract club may be organized and sponsored jointly by more than one Rotary club under the following conditions:
 - a) The district governor must give his approval, stating in writing that, in his considered judgment, the best interests of the district, the Rotary clubs concerned and the Rotaract program would be served by the proposed joint sponsorship.

* On 30 June of the Rotaract year in which the member becomes 30 years old, his/her Rotaract membership will end.

** As used in this statement of policy, the term "university" is intended to include all institutions of higher education.

- b) The circumstances must be such that the organization of separate Rotaract clubs, each sponsored by a single Rotary club, would create an artificial division of what is essentially a single body of young adults within the community or university.
 - c) A joint Rotaract committee must be created with effective representation from each of the sponsoring Rotary clubs.
15. Each member of a Rotaract club agrees to accept and to adhere to the provisions of the constitution and bylaws of his or her club.
16. Membership in a Rotaract club shall be evidenced by Rotaract club membership identification cards supplied to Rotaract clubs by Rotary International.
17. The Rotaract name and emblem are the property of Rotary International and shall be preserved for the exclusive use of those involved in the Rotaract program. When displayed by individual club members, the emblems may be used without further information. When the emblem is used to represent a club, the name of the club should appear with the emblem. Where a Rotary district exists, it may use the respective emblem but only in conjunction with reference to the district and its number.
18. A Rotaract club member shall be entitled to use and display the Rotaract name and emblem in an appropriate and dignified manner during the period of his or her membership in a Rotaract club. He or she shall relinquish such entitlement upon termination of his or her membership in his or her Rotaract club or upon the termination of his or her Rotaract club.
19. A Rotaract club may be terminated:
- a) By Rotary International, with or without the consent, approval or concurrence of the sponsoring Rotary club, for failure to function in accordance with its constitution, or for other cause.
 - b) By its sponsoring Rotary club, after consultation with the district governor and the district Rotaract representative, or
 - c) By the Rotaract club itself upon its own determination.
20. Upon termination of a Rotaract club, all rights and privileges relating to the name and emblem shall be relinquished by the club and by its members individually and collectively.
21. As a matter of policy, the board does not recognize the right of any individual or organization except RI to circularize Rotaract clubs for any commercial purpose, except in the case of Rotaractors who are responsible for organizing Rotaract club, district and multidistrict meetings.
22. District governors are requested to appoint district Rotaract committees, composed of Rotarians from various parts of the district, to assist the district governor in publicizing the Rotaract program, promoting the organization of new Rotaract clubs, and administering the program of Rotaract within the district. Where feasible and practicable in the appointment of district Rotaract committees, there should be provision for continuity of membership by appointing one or more members for a second term.
23. Rotaract organization and meetings beyond the club level:
- a) A district with two or more Rotaract clubs must elect a district Rotaract representative from among their membership. The method of election shall be determined by the Rotaract membership. As a qualification for election to Rotaract representative, a person must have served as a Rotaract club president or as a member of the Rotaract district committee for one year.
 - b) In a district with one Rotaract club, the district Rotaract representative shall be the most recent, available past Rotaract club president.
 - c) The district Rotaract representative will be guided and counseled by the Rotary district governor, the Rotary district Rotaract committee, or other appropriate Rotary district committee.

- f) No meeting of members of Rotaract clubs beyond the club level shall have any legislative authority nor shall be so organized as to give the appearance of having such authority. Nevertheless, such a meeting may include ideas which might be of value as advisory observations to those involved at the district or other levels of Rotaract administration.
- g) At a district Rotaract meeting, a three-fourths majority of the Rotaract clubs in a district may vote to undertake a district service project and to establish a district Rotaract service fund to raise funds for this project. Contributions to such a fund must be voluntary. Such a project and service fund must be approved by the district governor, and specific plans and instructions for the administration of the district project and use of the fund must also have the approval of the district governor and three-fourths of the Rotaract clubs in the district. The district governor must appoint a district fund committee to be responsible for collecting and administering the district fund, such committee to be composed of Rotaractors from the district and at least one Rotarian from the district Rotaract committee. The district service fund must be kept in a bank account which clearly indicates that the fund is the property of the district Rotaract organization and not the personal property of any individual Rotaractor or Rotaract club.
- h) All district Rotaract activities shall be financed by the Rotaract clubs in the district. No expenses of district Rotaract club meetings shall be paid by Rotary International. The cost of such meetings shall be minimal and within the financial means of those participating.

 - 3) Rotaract representatives of the districts concerned comprise the membership of such organizations. Each district Rotaract representative may appoint a member for his or her district organization, as needed, to carry out the activities of the multidistrict organization;
 - 4) funds needed to implement the organization's activities (e.g., production and distribution of regional club directories and newsletters, dissemination of Rotaract program information, general correspondence) shall be obtained on a voluntary basis only;
 - 5) the organization has no decision making or legislative powers, except for decisions concerning the activities of the organization, for which each member (district Rotaract representative) shall have one vote.
- c) Rotaract Multidistrict Meetings
 - 1) Rotaract worldwide meetings shall require the approval of the host district governor(s) and RI director for the region, and shall also require approval of the RI Board of Directors. - 2) Rotaract multidistrict meetings (not at a worldwide level) shall require that the host district Rotaract representative provide a copy of the meeting proposal which describes date, location, facilities, participants, program budget and includes proof of adequate liability insurance to the district governors concerned, and the approval of the host district governor. Any recommendations made at the pre-convention meeting shall be forwarded to the RI Rotaract committee for its review and consideration.

25. Leadership Training

- a) All incoming Rotaract club officers shall be provided with Rotaract club officers leadership training at the district level, such training to include a one- to two-day leadership training seminar conducted by the district Rotaract committee in coordination with the RI district Rotaract committee for all incoming Rotaract club officers, directors, and committee chairpersons to be paid for by the sponsoring Rotary clubs, or where circumstances dictate, by a mutually agreed-upon financial arrangement involving the sponsoring Rotary clubs, Rotary district, and the Rotaract participants.
- b) Rotary districts shall provide leadership training of district Rotaract committees on a multidistrict basis.

26. Financing the cost of the Rotaract program:

- a) Individual Rotaractors shall pay annual membership fees to their Rotaract club to cover the cost of club administration;

- c) Sponsoring Rotary clubs shall pay for the attendance of their Rotaract club officers, directors, and committee chairpersons at district level leadership training meetings (or, when circumstances dictate, these meetings shall be paid for through mutually agreed upon financial arrangements involving the sponsoring Rotary clubs, the Rotary district, and the Rotaract participants);
- d) Rotary districts shall pay for the attendance of their districts' Rotaract representatives at multidistrict leadership training meetings;
- e) Rotaract program financial policy includes the following:
 - 1) Rotary International shall provide for Rotaract activities at the international convention and shall provide program materials to district Rotaract chairpersons, representatives, and Rotaract clubs.
 - 2) No part of the expenses of meetings of Rotaract clubs or groups of Rotaract clubs shall be paid by Rotary International, with the exception of the annual Rotaract Pre-Convention Meeting.
 - 3) Any dues or assessments on the membership of any Rotaract club should be nominal and should be only for the purpose of covering the cost of administering the club; funds for activities and projects undertaken by Rotaract clubs should be raised by such clubs apart from such dues or assessments.
 - 4) It is the responsibility of the Rotaract club to raise the funds necessary to carry out the program of the club.
 - 5) Rotary clubs and Rotary district conferences inviting members or Rotaract clubs to participate in the programs of such clubs and conferences should subscribe to sufficient trip, accident and liability insurance to protect the Rotary club or district conference against any possible legal or moral obligation and liability.
 - 6) Rotaract clubs should not make general solicitations for financial assistance from Rotary clubs or from other Rotaract clubs.
 - 7) Contributions to fund district Rotaract service projects must be voluntary and cannot be made enforceable upon the individual Rotaractor or Rotaract club.
