Eritrea, Ethiopia, Kenya,
Tanzania, Uganda**

Fellow Rotarians,

It is my singular honour and pleasure to invite you and your spouse to the **Rotary Institute of Zone 20A** which will take place at the Munyonyo Commonwealth Speke Resort in Kampala between 17th and 18th September, 2010.

As usual, the Rotary Institute will be preceded by Governor Elects Training Seminar (GETS) on the 14th & 15th and the Rotary Information and Rotary Foundation seminars will be on 16th September.

There will also be a day long TRF Cadre Training Workshop aimed at recruitment, especially from Africa, on the 15th. The TRF Cadre of Technical Advisors are experienced Rotarians who volunteer their time and expertise to evaluate major projects before implementation, carry out pre and post-project implementation site visits, conduct audits, and generally promote good stewardship.

Eastern Africa has never had an RI Director and, therefore, there is Rotary excitement in the air for this Institute. Accordingly, I am inviting all District and Club leaders as well as the New Generation in our Zone to participate as observers in order to have maximum sharing of information and for our Rotarians not only to appreciate the internationality of Rotary, but to interact with the top leadership of our great organisation.

We have selected an excellent venue for these Rotary meetings and you will share rooms, grounds and facilities which the Commonwealth Heads of State enjoyed here during the 2007 CHOGM. But that is not all. We have negotiated incredible rates because of the special contacts we have with the hotel.

Rotary International will be represented by none other than the RI President Ray Klinginsmith and his Spouse Judie, while TRF will be represented by the TRF Vice Chairman, John Germ. In addition, many past, current and future Rotary senior leaders will inspire us with their presence, experience and wisdom.

District 9200 comprising Eritrea, Ethiopia, Kenya, Tanzania and Uganda is a large and exciting District and our meetings are usually like mini-international conventions. The Rotarians from the District will be here to make your visit memorable.

Uganda, the host country is located astride the Equator in the heart of Africa. It is known as the Pearl of Africa and we invite you while here, to take time off to look around. The warmth of Ugandan hospitality is well known and the local Rotarians are looking forward to giving you an Institute you will never forget.

As The Future of Rotary is in Your Hands, let us meet together and plan to build Bigger, Better and Bolder Clubs for our organisation.

Warm, Regards
Sam F. Owori
RI Director 2010-12/Convener

A very special Rotary Institute

Zone 20A, to which our District 9200 belongs, covers 47 African countries and is composed of 13 Districts; 710 Clubs and about 21,000 Rotarians!

A Rotary Institute is a high level conference for training, exchanging ideas, and motivating Rotary officers. It is convened by an RI Director or Past Director designated by the RI President.

This Rotary Institute for Zone 20A is very special for District 9200 in many ways:

- 1. The Convenor, Rtn. Sam F. Owori will be the first RI Director from D9200**
- 2. The conference will be attended by then RI President Ray Klinginsmith, PDGs, DGs, DGEs and various senior Rotary leaders from around the world. As RI Director Elect Sam Owori puts it, "This is about as close as it gets to an RI Convention!"**
- 3. The Institute has been specially opened to all Rotarians and Rotaractors in D9200**
- 4. PHF and other TRF recognitions will be presented to the recipients by then RI President Ray Klinginsmith**

This Institute, the climax of which will be The Rotary Foundation Gala Dinner, will be an exciting learning experience and an opportunity for us to show the world the uniqueness and dynamism of District 9200.
